

On This Day (Matt Watroba) © 2010

On this day
The sun rose early
It will set when all is through
But this day
Is like no other
For I've declared my love for you

Here we are
With friends and family
Gathered now in love's embrace
You're the ones
Who light our path with
The flame of wisdom, joy, and grace

On this day
You stand before me
To make me whole
Complete my life
But this day is like no other
From now on
You'll be my wife

We share this day
With those around us
Who gave our lives this gentle lift
We are here in celebration
Of life's most amazing gift

On this day
The sun rose early
It will set when all is through
But this day
Is like no other
For I've declared my love for you
